

Auger Bits - Deep Cut High Performance

Auger Bits - Deep Cut High Performance			
Part Ref.	Diameter	Working Length	Overall Length
DA5	5	260	300
DA6	6	300	400
DA8	8	300	400
DA10	10	351	457
DA12	12	351	457
DA14	14	351	457
DA16	16	351	457
DA18	18	351	457
DA20	20	351	457
DA22	22	351	457
DA25	25	351	457
DA32	32	351	457

High performance Auger bits specifically designed to drill a clean hole into all natural woods.

This high quality drill bit will easily out perform a standard Auger bit in lifetime and performance.
