

# GEOMET® 500

## Application process

GEOMET® 500 can be applied by Dip-Spin, Spray, Dip-Drain-Spin using bulk or rack

## Health and Safety

- Aqueous dispersion
- Complies with REACH
- Complies with the 2000/53/CE and 2002/95/CE directives

## Among our worldwide specifications

- PEUGEOT / CITROËN (B 15 3320)
- FIAT (Capitolato 9.57513)
- FORD (S447 & S448)
- INTERNATIONAL TRUCK (TMS 4523)
- IVECO (18-1101)
- JAGUAR CARS & LAND ROVER (ST JLR.50.5050)
- SCHNEIDER ELECTRIC (ABD 00048)
- SNCF / RATP (ST001-01)
- BOSCH (0 204 Y81 074 Code H)
- JOHN DEERE (LaN 930-11.4)

## International standards

**EN ISO 10683** - Fasteners: non-electrolytic zinc flake coatings

**EN 13858** - non-electrolytic zinc flake coatings on iron and steel parts

**ASTM F1136 / F1136 M** - Zinc/Aluminum Corrosion Protective Coatings for Fasteners
